ABOUT BIRLA GLOBAL UNIVERSITY

Birla Global University (BGU) is a self-financed private unitary University and has been established by the enactment of Birla Global University Odisha Act, 2015 with its main campus spread over an area of nearly 30 acres of land situated at IDCO Plot No.2, Gothapatna, Bhubaneswar. As per the Act, the management of the university is carried out by a Board of Governors headed by Smt. Jayashree Mohta, Chairperson, Birla Academy of Art & Culture being the main promoter of Birla Global University. Honorable Governor of Odisha is the Chancellor of the University.

The University has been established with a goal to be the best destination for aspiring new-gen professionals. It is committed to redefine 'quality' in education with state-of-the-art facilities, best of the infrastructure and finest faculty. Presently, the University operates with six schools i.e. Birla School of Management, Birla School of Communication, Birla School of Commerce, Birla School of Social Sciences & Humanities, Birla School of Law, Birla School of Applied Sciences.

The university plans to extend the scope of the existing schools as well as to open new schools for Art & Culture, Literature, Science and research programs. In fact, the core strength of the university is its commitment towards research and development. The university, this way, aims at catering to the needs of the young mass of the country and to take Odisha to the global arena in the sphere of higher education.

About Spectra

Spectra is all about showcasing the diverse array of cultures, art forms, and academic fields that our University represents. With a wide range of activities and events, Spectra provides a platform for our students to demonstrate their skills and learn from one another.

Our festival's name "Spectra" reflects the broad range of interests and talents of our students, and we aim to promote inclusivity and diversity through our events. From cultural performances to academic competitions, there is something for everyone at Spectra.

We believe that Spectra will be a great opportunity for students to come together and celebrate the many facets of student life.

Join us in this celebration of our unique community and let's make Spectra a memorable experience for all!

EVENTS

Competitive Programming

FIRST PRIZE WORTH*
30,000
SECOND PRIZE
4,000

ENTRY FEES
500
Team size: 2-4

TIMING
2:30 PM
DATE
22 FEB

- Team size: 2-4 Students
- Registration fee: 500 Rupees for each team
- First Prize = 27,000 worth free course for 1student + 3000 Rupees cash prize
- Second Prize = 4000 Rupees cash prize

Rules:

1. Everyone will be given a data structure question that they have to solve in a particular algorithm.
2. Output of the solution curated by teams and individuals must be correct, and it should pass all the test cases
3. Points will be rewarded on basis of these :
   - No of questions solved out of 5
   - Must follow rule [1]
   - Penalties for Incorrect Submissions (-1 point for each wrong submission)
   - Efficiency of Solutions: Besides correctness [1], the efficiency of the solutions is often considered. Teams maybe ranked based on the time and space complexity of their algorithms. Faster and more memory-efficient solutions may be rewarded.
   - Time Taken: Teams may be ranked based on the time it takes to submit correct solutions. Faster submissions can be rewarded to encourage efficiency.

4. Teams can choose between Java, C, C++ and Python to solve the question:

- Selecting the appropriate programming language holds significant importance since your team's recognition hinges on this choice. For instance, if there are 5 out of 12 teams utilizing Python for problem-solving, the team exhibiting the most proficient Python code will serve as the benchmark for evaluating all Python-using teams.

5. Teams are required to bring their own machines equipped with a suitable native compiler or interpreter. The use of cloud-based Integrated Development Environments (IDEs) is strictly prohibited.

6. If any team is discovered using GitHub Co-Pilot in their IDE, the team will face disqualification. [3]
